

We buy LOCAL

We are proud to use local suppliers wherever possible. Please take a look below to see where our foods and drinks come from and a little bit about them!

We are a small boutique soft drinks company, set in the beautiful Cotswolds. Our lemons are freshly squeezed and zested, our ginger is hand pressed and our elderflower is hand picked. We hope that you love our product just as much as we love making it!

We are a family run business based in Ardington, concentrating on purveying of quality roasted coffee, including espresso beans, filter coffee and cafetière coffees, all of which are all roasted weekly. We are also proud suppliers of Bewley's Coffee products, a company which was established, in Ireland, in 1840.

Family run business. Creating additive free pork since the mid 80's. Great quality is at the centre of this business which is why we are proud to serve their products to you.

About Style Acre

Style Acre is a charity in Oxfordshire, which has been supporting adults with learning disabilities in the region for many years.

Dedicated carers provide Supported Living to over 60 individuals in 26 houses, enabling our beneficiaries to live full and varied lives.

Style Acre also has Day Opportunities services in Wallingford and Didcot, which both offer recreational and social opportunities. They also teach a wide range of skills, support people in finding volunteer and work opportunities and encourage community involvement. To this end, Style Acre has a charity shop in Wallingford and this lovely Tea Room, here in Blewbury.

The Tea Room was opened in 2010 to create work experience and paid work for the people we support and has been a resounding success: so far we have provided paid work for 10 people since opening and work experience for 19 people. This number is growing all the time.
