

Manshed

The Walker family moved to Chilton in 2013 and found themselves the proud owners of a handsome pile at the bottom of the garden - the MANSHED! And this is where the magic happens; **cure, smoke, prickle and preserve.**

Manshed smoked salmon

Traditional cure, oak smoked and hand sliced.

Manshed brinjal pickle

Serve this perfectly spiced aubergine pickle with curry and a heap of poppadoms, or try it with beef stew, cold meats or, best of all, slathered in a cheddar cheese sandwich.

Manshed bacon

Curing and smoking bacon will always be at the heart of Manshed.
