

Chiltern Natural Foods

Chiltern Natural Foods specialise in healthy, tasty natural food products. Their range includes natural healthy breakfast cereals, natural hand roasted and flavoured nuts, fruit and seeds, yoghurt coated products, and a selection of gluten free foods.

Their philosophy is to make premium foods which are all natural but still taste great. You will find that they do not add any E-numbers, chemicals, artificial colouring or flavouring or any unrecognisable additives and fillers to their products.

Find a selection of Chiltern Natural Foods' cereals, nuts, fruits and seeds at Savages!
