

# The Cotswold Cider Co.

New to Savages ... February 2021

We are delighted that our Farm Shop now stocks a selection of Ciders from the award -winning Cotswold Cider Co. who are based in Coleshill, Oxfordshire.

The Cider is made from a carefully selected variety of 7 traditional English cider apples, 100% pressed with no sugar added using a long maturation for added character.

‘Cider made properly without the junk’
